## A Thought from our Chaplain

Judy Davison, our chaplain, offers this word of  
contemplation by Mother Teresa:

*"We are all God's children, so it is important to  
share His gifts. Do not worry about why problems exist in  
our world — just respond to people's needs."*

## President's Message

**Gorland McBride 2012-2013 Club President**

*"The achievements of an organization are the results  
of the combined effort of each individual."*

— Vince Lombardi

**L**adies,  
As you know, our club is part of the General  
Federation of Women's Clubs, the world's oldest  
nonpartisan, nondenominational women's volunteer  
service organization, founded in 1890. Our Wake Forest  
Woman's Club, chartered in 1961, enhances the lives of  
those living in our community through its hands-on  
service activities and fundraising events, the proceeds  
of which are dispersed to local and national charities  
and organizations. We strive to accomplish these goals  
through our Arts, Conservation, Education, Home Life,  
International Outreach, and Public Issues CSPs and  
more.

We are the sisters, mothers, daughters, wives and  
friends who all work together for one common goal: To  
enrich the lives of others through volunteer service. I  
feel fortunate about the many ways we are able to touch  
those in need, and in awe of the way we come together  
to make our projects happen.

As this club year comes to an end, words cannot  
truly express my appreciation to you for donating your  
valuable TIME, TALENTS and TREASURE, for the  
benefit of helping others.

I look forward to another club year packed with  
friendship, fellowship, service activities, and even more  
successful events, in fulfilling our reputation as being  
the "Go To" club of Wake Forest.

Yours Always,  
— Gorland

### Classic and Antique Charity Car Show, Saturday, June 15 (Rain Date June 22)

Thank you to the clubwomen who have already signed up to volunteer in support of this charity event organized by the Downtown Revitalization Corporation.

Our services will be needed to work the registration table where the owners of the cars will sign in, and we will hand out our famous cookies. We will work in shifts from 8 a.m. until approximately 4 p.m., and Marilyn will be in touch to confirm assignment and times as the event date draws closer. We are asking our volunteers to wear their WFWC T-shirt and club name badge for this event.

The show is free to the public, but the planning committee is seeking sponsors to help fund it. If you or someone you know would like to be a \$100 sponsor or a \$200 trophy sponsor – either as an individual or as a business – please contact Lisa Newhouse of the DRC at [lisaA@wakeforestdowntown.com](mailto:lisaA@wakeforestdowntown.com). Sponsors will receive recognition in publicity releases, in the printed program and on the trophies that the winners will receive. The

proceeds will benefit Hospice of Wake County and other Wake Forest charities.

The show is open to all car owners to display classic, antique or muscle cars, street rods or trucks. Entertainment will be provided by *The Results* band, which will play beach music and hits from the 1940s. In the morning and afternoon, the public will be treated to a model-T assembly demonstration.

For more information, contact Marilyn Bonnett at 919-556-0387 or [bonnettm@hotmail.com](mailto:bonnettm@hotmail.com).

### WFWC Bowl-a-thon Fundraiser

- **Publicity:** Ads in newspapers, social media through Facebook and the 919 magazine; distribute fliers, etc.
- **Graphic Design:** Use an existing template to create a website for our event, design fliers for distribution, design program for the event, design sponsor banner.
- **Solicit Businesses:** Write letters for distribution to area businesses, collect donations of prizes such as gift certificates and financial support, place followup calls, write thank-you letters.
- **Prize Table:** Set up and decorate a table of prizes on the day of event.
- **Day of Event:** Lane monitors (checking scores), greeter to check registration, lane assignment and time slot, cleanup crew.

The Bowl-a-thon event will be held on Sunday, August 25, 2013, from 1 to 6 p.m. at the Brooks Street Bowl, downtown Wake Forest.

Your help is needed! Please respond by May 15 so that our planning meeting may be scheduled. Contact Wendy at 919-435-0716 or [wendyslipkin@gmail.com](mailto:wendyslipkin@gmail.com), or Anne at 919-210-6126 or [atriebert@gmail.com](mailto:atriebert@gmail.com).

### CSP Reporting

CSP chairwomen, your CSP project reports are very important! Beginning Jan. 1, 2013, for each charitable project that your CSP has completed, your followup report is due to Marilyn Bonnett, our First Vice President. Please make sure your important work gets documented for tally by the General Federation of Women's Clubs. You can print your CSP Project Report Form from the Members section of our website at

[www.wake-forest-womans-club.com](http://www.wake-forest-womans-club.com). or contact Marilyn at 919-556-0387 or [bonnettm@hotmail.com](mailto:bonnettm@hotmail.com), and she will forward you a copy of the form.

Each report must contain:

- The name of your charitable project;
- The number of clubwomen who participated in the project;
- The total hours of members' volunteer service (including planning time and travel time), for each charitable project;
- The amount spent from your CSP's charitable donation budget (write in this information anywhere on the report form);
- The amount contributed to each charitable project by club members themselves;
- Your notes with feedback about the success of the project and extra efforts contributed by any particular member.

Remember: Your CSP's program at a general meeting counts as a project.

Also remember: A check sent to benefit an organization counts as a project, even if no volunteer hours are connected.

If you have any further questions, contact Marilyn at 919-556-0387 or [bonnettm@hotmail.com](mailto:bonnettm@hotmail.com).

## Conservation CSP

### **Museum Bench Refinishing Planned**

The weather has finally turned into spring, and the date for refinishing the bench at the Wake Forest Historical Museum is set for Saturday, May 18. You are invited to join CSP members as they meet for breakfast beforehand at Briggs Restaurant at 10 a.m., or you can meet them at the museum around 11 a.m.

The team doesn't expect the work to be too much of a grind as Marilyn Bonnett's husband, Lowell, has kindly volunteered to sand the bench prior to the refinishing. For more details and information contact Sandi Schwarz, Conservation CSP chairman at 919-556-7678 or [race72fan@yahoo.com](mailto:race72fan@yahoo.com).

## Education CSP

### **Youth Leadership Conference**

On Thursday, April 25, our club participated in the 2nd Annual Northeastern Regional Youth Leadership Conference, held at the Southeastern Baptist Theological Seminary. One hundred and fifty WCPSS middle and high school students (Grades 8 -12), were in attendance from local area schools.

The keynote speaker at the opening session was Senator Chad Barefoot of Wake Forest, whose remarks on leadership set the tone for the events of the day. Students spent their morning rotating through four interactive workshops:

- Personalized Branding in the Digital Age
- How to Effectively Run a Meeting
- Community Service Programs: Concept to Implementation, and
- Public Speaking 101.

The workshops were followed by lunch and a Community Service Expo in the Ledford Center, where students talked with organization representatives and found out about their service work in our local community.

At our Woman's Club table, hosted by club members Marilyn Bonnett, Betty Franklin and Salina Gary, students were asked to write a short note to

military service members for inclusion in care packages shipped overseas by Ministry to the Military, and in return, they were given one of our famous cookies.

They also viewed a display of photos taken at our various CSP activities and received one of our promotional bookmarks, which include an overview of our club history and its long involvement in the community.

For more information regarding the Youth Leadership Conference contact Salina Gary, 919-562-0353 or [salina.gary1@nc.rr.com](mailto:salina.gary1@nc.rr.com).

## 111th GFWC-NC Convention

On Saturday, April 20, Sandi Schwarz and Marilyn Bonnett represented the Wake Forest Woman's Club at the GFWC-NC 111th Annual Convention, held at the Twin City Marriott Hotel in Winston-Salem, N.C., April 17-20.

Sandi and Marilyn attended the business session, the Silver Awards Luncheon, and breakout sessions for the ESO book clubs and "Continuing to Connect through Social Media." Sandi will share ESO updates with members of our local book club. Marilyn will discuss the LinkedIn social media topic with our Publicity Standing Committee. A presentation titled "Using LinkedIn for GFWC-NC" may be viewed on the Web at <http://bit.ly/gfwcnc-linkedin>.

Sandi and Marilyn agree that attending the GFWC-NC convention is a great way to connect names and faces of the women who serve in state leadership positions; meet interesting club women from around the state; learn ideas that might help us locally; get a better understanding of how our club fits into the structure of the Greater Federation of Women's Clubs, and have fun on a road trip.

They also learned that:

- Jacob Jacobs, the Wake Forest-Rolesville High School Scholarship winner of the Wake Forest Junior Woman's Club, won the 2013 Sallie Southall Cotton Scholarship. He has said he plans to study Chemical Engineering at NC State beginning in the fall.
- Beverly Lassiter, GFWC-NC President 2008-2010 and chairman of the 2012 GFWC Convention in Charlotte, won endorsement as a candidate for GFWC Treasurer.
- The GFWC-NC Fall Conference will be held in Cary, N.C. at the Embassy Suites Hotel, November 21-23, 2013.

For more information about the recent convention, contact Sandi at 919-556-7678 or [race72fan@yahoo.com](mailto:race72fan@yahoo.com) or Marilyn at 919-556-0387 or [bonnettm@hotmail.com](mailto:bonnettm@hotmail.com).

## GFWC and WFWC Celebrates 123rd Federation Day

On Wednesday, April 24, GFWC and clubwomen everywhere paused to contemplate the 123rd Federation Day, commemorating our founding in 1890. The organization can look back with pride on its accomplishments and look forward with excitement to all the good work yet to be done.

Our WFWC recognized this year's anniversary by ordering and erecting a GFWC signpost with club information among a group of other nonprofit signs in front of the McDonald's Restaurant near the intersection of Durham Road with Highway 1. Stop by to take a closer look when you are in the neighborhood.

Club members Salina Gary and Dawn Nakash flank the new signpost. Many thanks go out to Edwin Gary, Salina's energetic husband, for installing the sign.
