Districts & Club Contact Information

The Purpose and Objectives of the General Federation of Women's Clubs of North Carolina, Inc. is to unite member clubs into a statewide charitable organization of volunteers for the promotion of education, community service, fellowship, and leadership development.

GFWC-NC Districts

GFWC-NC is divided into 9 districts across the state. Each district is governed by its own officers, with the District President and District Junior Director serving on the GFWC-NC State Board of Directors.

Clubs within each district participate in their District Fall Meeting, the District Arts Festival, and other meetings as may be called by the District. The scholarship candidates for the GFWC-NC Sallie Southall Cotton, Greeson-Johnson, and Whitener Piano scholarships compete first on the District level, with these winners advancing on to the state level competition.
